Subject: NCCA 2015 map- urgent request

Hi all—

GLNPO is in need of the original graphic file of this NCCA map this week for use in the GLWQA Progress Report of the Parties. I am casting my net widely since I know Dave is in DC. Does anyone know who created it and would have an original?

Thanks!

Beth

Hi Beth,

This is not one of mine. I think it is ORDs so I don't have the original. Dave or someone there would likely have it.

Hi Mari-

Can you please send Lyndzi the original graphic file of this map? I only have it as a power point. Thank you! I know she needs it as soon as possible. Let me know if I need to ask Ord for it (I think Jack created it in 2010 and maybe Dave updated it for 2015?)

Hi Beth,

Do you happen to have an editable source file for the National Coastal Condition Assessment map in Annex 10 of the PRP or perhaps know who does? Our contractor needs it for formatting purposes.

Thanks,

Lynzi
